EXTRA!

WASHINGTON, Dec. 18.—(INS)—There are persistent unconfirmed reports in Washington today that President Truman will name Chief Justice Fred M. Vinson as Secretary of State to replace Dean Acheson before the 82nd Congress convenes Jan. 3. The White House and Vinson refused comment.

LAKE SUCCESS, N. Y., Dec. 18.—(INS)—The United Nations deferred any decision on Communist China today pending the outcome of cease-fire moves now in the hands of a three-man assembly committee.

The 60-member Political Committee voted for such a course over Soviet opposition after the truce group disclosed it is awaiting an answer from Red China on whether to proceed to Peiping for cease-fire negotiations.

WASHINGTON, Dec. 18.—(INS)—President Truman will ask Congress today for new powers to cope with the present critical emergency.

The President's request was disclosed by the congressional "Big Four" after a White House conference this morning.

The Congressional leaders were not clear in their mind immediately as to what powers the President has in mind, but indicated the request will be for restoration of some additional powers which the President had in World War II.

It was learned later that the President will send letters to House speaker Rayburn and vice president Barkley, asking for restoration of war powers under titles 1 and 2 of the first war powers act.

BRUSSELS, Dec. 18.—(INS)—Foreign ministers and defense chiefs of the North Atlantic Pact nations opened their historic Brussels conference today to approve creation of a combined airland and sea European armed force under the supreme command of Gen. Dwight D. Eisenhower.

Approval of the major part of a master plan for the unified defense force was reported reached almost immediately despite a slight delay in the arrival of U. S. Secretary of State Acheson, whose plane made an unscheduled stopover in Paris due to bad weather. Acheson reached the conference scene a little more than two hours after the sessions began.

One delegate told INS that agreement already had been reached on making Gen. Eisenhower commander of the North Atlantic force.

WASHINGTON, Dec. 18.—(INS)—Presidential Assistant John R. Steinhilber today reported progress toward settlement of the railway labor dispute but in Toledo, Ohio, 100 rail workers staged an "unauthorized" walk-out.

Toledo officials of the Brotherhood of Railroad Trainmen said the strikers were attempting to force action on a 40-hour week and wage boosts.

Meanwhile, 50 conductors on the Birmingham-Southern Railroad who have been on strike since Dec. 14 remained away from jobs and little hope of a settlement was seen.

WASHINGTON, Dec. 18.—(INS)—President Truman and congressional leaders today were given a one-hour briefing on latest developments in the Korean situation but refused comment on the information they had received.

USS MISSOURI JOINS FIGHT AT BEACHHEAD

16-INCH GUNS OF GIANT
BATTLESHIP AID IN
EVACUATION

TOKYO, Dec. 18.—The U. S. battleship Missouri arrived off the shrinking United Nations beachhead in Northeast Korea today and trained its 16 inch guns on massed Chinese Reds besieging the escape port of Hungnam. The 45,000 ton "Mighty Mo" joined the beachhead battle as the Chinese stepped up their attack against battered 10th Corps forces still holding out in the tiny beachhead.

There was no immediate word whether the Missouri had begun hurling its one-ton shells at the enemy, but it was assumed the firing order would be given as soon as appropriate targets were found.

Two U. S. cruisers, the Rochester and the St. Paul, and supporting destroyers already were laying down a curtain of fire around the beachhead perimeter.

Wave after wave of Chinese charged the U. S. 3rd Division line, a scant four miles north of the escape port of Hungnam against a massive land, sea and air bombardment that slaughtered them by the hundreds.

Some 800 Chinese were killed in the past 24 hours alone around the beachhead perimeter.

At 2:15 P. M. two companies or more of Chinese troops were attacking Americans and South Koreans dug in on the north approaches to Hungnam.

Awaiting the signal to join the assault from the rugged, snow-washed foothills just north of Hungnam was a Chinese regiment, 2500 to 3,000 enemy troops.

Renewed attacks from the west and northeast also were expected momentarily. Some 12 to 14 Chinese divisions, up to 140,000 men at full strength, were noted around the melting 10th Corps defense area.

The United Nations line was believed to run six miles southwest of Hungnam, three miles west, four miles north and five or six miles northeast.

On the other side of Korea, leaders of Seoul's nine wards advised the capitol's 1,250,000 civilians to get out of the city as rapidly as possible ahead of an expected Chinese offensive.

However, the ward leaders apparently acted on their own. President Syngman Rhee of the South Korean government said the evacuation order had been issued by the government.

"We have told old men and women that they are free to leave," Rhee told a press conference, "but there is definitely no evacuation order."

One new bridge has been built across the Han river south of the city for the exclusive use of civilians wishing to flee south.

FOOD CORNER

"MY FAVORITE"

A SECRET 'TIL NOW

Says Mrs. Roxie Zeiner

This being the season for Christmas baking, Mrs. Zeiner sent us one of her favorite Christmas Cookie recipes as well as her famous Angel Food cake recipe. We will have our Food Corner on Friday as usual, but we wanted you to have these two recipes for your Christmas baking.

PEFFERNUSSE

5 eggs
6 cups cake flour
1/2 teaspoon salt
1 tablespoon cinnamon
2 cups sugar
2 teaspoons baking powder
1/2 cup chopped nuts

Beat eggs well. Add sugar about two tablespoons at a time and beat thoroughly with each addition. Add lemon rind and juice, finely chopped citron, the dry ingredients which have been mixed and sifted together, and the finely chopped nuts. Chill at least an hour, roll 1/2 inch thick and cut out with a round cutter about 7-8 inch in diameter. (A narrow bottle top or round boudin cube box will do.) Place peffernusse on a cookie sheet and let stand overnight in a cool place to dry. Before baking invert each cookie and put a drop of grapefruit juice on the moist spot on the bottom of the cookie and bake upside down. Bake in a slow oven (350°). Let ripen and soften before using. Makes almost 200.

ANGEL FOOD CAKE

1 1/3 cups egg whites
1 1/2 cups sugar
1 1/3 teaspoon cream of tartar
1/4 teaspoon salt
1 cup sifted Softasilk

Beat egg whites with flat whip until frothy. Beat in cream of tartar and salt. Continue beating until egg whites are glossy, fine-grained and will stand up in a stiff point. Add 1 cup of sugar gradually, beating and folding after each addition. Fold in Softasilk. Gradually and gently fold in flour sifted 3 times with remaining 1/2 cup sugar. Pour into dry, ungreased, deep 9 or 10 inch tube center pan. Gently cut through batter with knife to break air bubbles. Bake in slow moderate oven (325°) for 60 to 65 minutes. Invert pan immediately; let cake hang in pan until cold.

CARD OF THANKS

I wish to thank all the fine friends and neighbors for their kindness and sympathy shown to me at the death of my beloved son, Charles Lee Musgrave. Mrs. John C. Waddell, Mr. and Mrs. Charles McCowan and family, pd.

Swede Nilson, 1006 East 26th Street, Houston, Texas, now claims he is the hottest hardware salesman in town. Swede says that in order for a man to do a topnotch job of selling he has to really feel good, and Swede says he is now taking HADACOL, and believes he has never felt better. He found that by taking HADACOL he overcame deficiencies of Vitamins B1, B2, Nicotinic and Iron.

Here is Mr. Nilson's statement: "Before I started taking HADACOL—that was a good bit ago—I was just plain lazy. I felt groggy and tired all the time. Seems like it was hard for me even to lift my feet. When a man feels that way he naturally doesn't do good work. What really gave me a bad time was my eating habits—I would go all day sometimes without a square meal. What really was strange was that while I was so listless and sleepy during the day—I couldn't sleep at night. Imagine rolling and tossing and cat-napping all night long. But that's all changed since I have been taking HADACOL. I guess I've taken from 6 to 10 bottles of HADACOL, and believe you me, there is no comparison now to the way I used to feel—I feel fine! HADACOL certainly is wonderful. I get a wonderful night's sleep—and eat—why I swear I eat everything in sight. Yes, sir, HADACOL sure is wonderful. And you can bet, your life I recommended HADACOL to all my friends."

HADACOL is simply remarkable in the way it has helped folks of all ages—yes, thousands of men, women and children who have been plagued with deficiencies of Vitamins B1, B2, Nicotinic and Iron. HADACOL is that wonderful new preparation promising blessed relief for stomach distress, nervousness, if caused by an upset stomach, vague aches and pains or a general run-down condition when they are due to such deficiencies.

HADACOL Attacks Real Cause
Remember, HADACOL is not a quick-acting product that only attacks the symptoms of the miseries, but actually relieves the real cause of pains and aches due to such deficiencies—Yes, and continued use of HADACOL helps prevent the miseries from coming back.

The most important thing about HADACOL is that you get these precious Vitamins in liquid form, which means that they are quickly absorbed and dispatched to the blood stream, ready to go right to work. HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every body organ, yes, to every part of your body.

HADACOL Can Help You
Don't go through life putting up with a stomach that is easily upset, that causes you gas pains, heartburn, sour risings after meals, a stomach that will not digest food properly; yes, if due to lack of Vitamins B1, B2, Nicotinic and Iron, you can overcome the deficiencies which are causing these miseries by taking HADACOL, which contains those precious Vitamins.

Start taking HADACOL right away and if you do not get the results you expect your money will be immediately refunded. HADACOL costs only \$1.25 for a trial size bottle. Large family or hospital size, \$3.50. There is only one true and genuine HADACOL. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

Tigers Meet Hanover Here

DePauw University closes its pre-Christmas basketball schedule here tonight facing a determined Hanover squad.

Coach Jay McCreary will probably stick to the same starting lineup that has appeared in most contests this year: Kent Guild, 6'2" Farland sophomore, and Lee Hamilton, 6'4" Evansville junior at forwards; John Stauffer, 6'2" N. Manchester senior, at center; and Russ Freeland, 5'11" Lawrenceburg senior, and Harry Stewart, 6'1" Indianapolis sophomore, at guards.

Fillmore Rolls Over Quincy, 73-31; Ruark Leads Cards With 29 Points

Fillmore's Cardinals continued to roll Saturday night as the east Putnam basketball team walloped Quincy, 73 to 31, down on the Cloverdale hardwood court.

The Cards now have a season

record of 8 wins and one defeat. The only setback suffered by Fillmore was at the hands of Waveland in the second tilt of their 1930-31 campaign.

The first quarter was close Saturday evening, Quincy holding Fillmore to a one point edge, 10 to 9. The Cards gained momentum in the second period and led 35 to 14 at the half. They increased this advantage to 55-25 at the end of the third frame, and won going away, 73 to 31.

Donnie Ruark, perhaps the outstanding forward in Putnam county, again displayed why he was selected as an all-sectional player last season by The Daily Banner. Ruark chalked up 10 field goals and 9 free throws for a total of 29 points, almost as many as the entire Quincy squad collected.

Dave Grimes, Carpenter and Newman also figured prominently in the Fillmore scoring.

For Coach Paul Hurst's Quincy netters, Minnick, Cummings and Taylor looked best.

Fillmore's B team captured the curtain raiser by trouncing the Quincy reserves, 46 to 25.

Early Christmas Party Held At Arnold Home

An early Christmas party was held Sunday evening, December 17th, when members of the Arnold family were entertained at the home of Mr. and Mrs. Carl Arnold, West Walnut street.

A lovely dinner was prepared in the basement, each family supplementing with a favorite dish.

For the kiddies, the highlight of the evening was the Christmas tree, with Judy Arnold and Janice Giddings as distributors of the gifts.

Those present were Mr. and Mrs. Earl Arnold, Winchester, Ind.; Mr. and Mrs. Cecil Harness, Indianapolis; Mr. and Mrs. Aaron Arnold, and Mrs. Lois Arnold, Judy and Jerry, Mr. and Mrs. Sanford Siddons, Karen, Rodney and Trudy, all of Greencastle; Mr. and Mrs. James Giddings, Janice, Joan and Jennifer, of Fillmore; Mr. and Mrs. Don Fraizer, Danny, Denton and Derek, of Cloverdale, and the host and hostess.
